VOL. II. NO. 111.

CHICAGO, SUNDAY AND MONDAY, AUGUST 2-3, 1896.

PRICE, 5 CTS

## NOTES OF THE TURF.

Will Wallace now owns Refugee who threatened racing aristocracy—and stopped at the threat.

Enquirer, Chicago, Ill.—The prices about Nicholas at St. Louis were correct, 1 opening, 9 to 20 closing.

Detroit's racing class will be increased by the presence of Captain Rees in the judges stand. He has been engaged.

D., Chicago, Ill.—There were eight races with more than twelve starters at Windsor, Ont., this year. Four others had exactly twelve.

The local commissioners have been pinched of late by one of the spasms of reform—that periodically hampers Chicago. Real virtue and genuineness even though misapplied is continual, not spasmodic.

Form players will do well to consider Friday's Pearl Song race and to deeply consider that won by Jane at St. Louis. Mr. Bennett's filly has a good deal of class about her as her consistency this year proves.

Starter Fitzgerald of Milwaukee has been engaged for the New Orleans meeting next winter. He has given up his interest in the Brown starting machine and will use the Eastern electric device at New Orleans.

"Lakeland" O'Brien's case has been quashed by the Turf Congress. "Hops" Laudeman and Barker Harrison notified the executive committee that their claims had been settled and O'Brien was exonerated. What of the Chicago claims?

It is possible that Col. Charles Head Smith may retire from the turf. He has recently sold Buckwa and some two-year-olds and more of his Milwaukee band are for sale. Tony Licalzi bought two youngsters from the stable at \$750. The pair cost Mr. Smith some \$2,800. One was Donna Reta which won a good race Thursday and the other is the brown colt by Sir Dixon—Belle Palmer, who is even better but has not started.

## THE KEY TO TURF SUCCESS.

About August 10 DAILY RACING FORM Publishing Co. will issue a book that will give the racing public more information than it ever had before. The volume will be of pocket size and built for long and hard use on linen paper and within flexible leather covers. It will be copyrighted as a book and patented as an appliance to racing. DAILY RACING FORM Manual will contain a handicapper's table, such as is usually foisted on this and that "lamb" at \$50 and \$100. We cannot supply a mental key of application. Nature is the only doctor in such special cases and it is busy in other lines just now. The handicapping table is one of weight applied to distance and time, in general use. To it will be attached a track-speed series of compilations—our own. It is the result of a year's work on average speed, at all distances and all American tracks at their best. Other conditions are not within mathematics, because the complexion of less than perfect going is not figurative. The Manual will also give the track records of all the American courses, book making percentages and an experience tale by the editor of DAILY RACING FORM on "how not to lose on the race track." This tale will be a personal one of loss and gain and the avenues through which both came. The Manual will not have a large edition. Its price will be far below its value. Only advanced orders will be filled—as they come. The book will cost \$5 and can be delivered August 12 at the latest. All its compilations will be intelligent, simple and up to date. Some dozen subscribers to Leather Form did not call for the books they ordered—and did not pay for in advance. Orders for the Manual must be accompanied by the price. The book is not for sale by newsdealers, outside Hawley of Cincinnati, Jett of St. Louis, E. C. Weatherly of our San Francisco agent, Halle of New Orleans, and Dearing of Louisville.

## NO. 2 OF LEATHER FORM.

Volume No. 2 of Quarterly Leather Form will be as much superior to original Leather Form as it was better than any previous publication in giving real racing information. It will cost \$6, and be ready for delivery on or before August 20th, and include all charts from June 1st to August 15th. Its index will be superb and lettered alphabetically on linen paper. There will be thirty blank pages behind its charts for future record. To be sure of the book, it must be ordered and paid for in advance. Not a copy of No. 1 is left. There will be no paper covered edition of No. 2.
